**NOTICE FOR INDUSTRY INTERNSHIP**

Undergraduate students of the departments under Faculty of Engineering & Technology, who are interested to participate in Summer Industrial Internship Program, can be provided financial assistance for the proposed Internship in the year 2016 as part of the TEQIP scheme. Such assistance will include the expense of travel in most economic mode to the site and back, expenses for shared accommodation, food and stationery. The liability of such assistance will be limited to Rs.10,000/- (Rupees Ten Thousand) or the actual expenses, whichever is lower. All application of proposals will be screened as per guidelines below:

- (i) Preference to be given to 3<sup>rd</sup> year students with high CGPA (till last Semester)
- (ii) Preference to be given to those for whom it is a part of the course
- (iii) Those already supported by other funding sources shall not be supported under this scheme.
- (iv) Support to be extended only for Internship at Industry
- (v) Candidates to submit offer letters, if available.

The funds will be released on re-imburement mode after the completion of the internship and subject to submission of all valid documents, within the stipulated date after completion of training. Valid documents include Certificate of actual participation from the industry (indicating the duration of internship and site location), a report on the outcome of the internship and all bills & claims.

The proposal to avail of this benefit is to be submitted in the following format to the TEQIP Cell, duly forwarded by the Head of the Department, latest by 25 May 2016.
