Date: 14th August 2012

NOTICE

In context of TEQIP 2nd phase program, the activity of Industry- Institution Interaction has been started in F.E.T of Jadavpur University. Faculty members are hereby requested to go through the following guidelines for formulation of their proposals individually or in a group.

1. Symposium/ Round table conference/ workshop with the participation of resource persons from industry may be conducted for up gradation/ revision of course curriculum. However, such resource persons may also be invited as Visiting faculty to deliver special lectures in selected areas in UG/ PG courses. The local hospitality and travel support for such resource persons may be provided under this scheme. The outcome of selected presentation/ lectures/ classes of the above mentioned programs may also be published in the form of Books/ Monograph/ Proceedings for which financial support under this scheme is available.

2. Seminar/workshop/conference of National/ International level may also be conducted by the faculty members to promote the Industry-Institute linkage. Such programs primarily should be focused towards implementation of technology solutions in context of various sectors of societal development moving towards growing urbanization and industrialization. In this context, programs related to the immediate requirements of West Bengal and of North eastern states will get priority.

3. It would be appreciated if such programs are conducted in collaboration of respective state governments, different business chambers and or industrial houses. Few collaborative programs in context of skill development and technology solution may also be conducted under this scheme.

It is to be noted that no support is possible under this scheme for procurement of equipment/ furniture/ software etc.
