

**TECHNICAL EDUCATION QUALITY IMPROVEMENT PROGRAMME, PHASE-II
FACULTY OF ENGINEERING AND TECHNOLOGY, JADAVPUR UNIVERSITY**

NOTICE

Date: 26th November, 2012

NPIU (National Project Implementation Unit - A Unit of Ministry of Human Resource Development for Implementation of The World Bank Assisted Projects in Technical Education) invites proposals for participation in sub-component 1.2.1- "Establishing Centres of Excellence (CoE)" from institutions selected under the project "Technical Education Quality Improvement Programme, Phase-II (TEQIP-II)" under sub-component 1.2. Around 30 Centres of Excellence (CoE) are proposed to be established. Amongst the engineering institutions already participating in sub-component 1.2, only the eligible engineering institutions from states and the Centrally Funded Institutions can participate in the competition for selection of establishing Centres of Excellence.

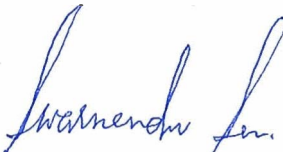

The objective of this is to support establishment of Centres of Excellence for collaborative and multi-disciplinary research within specific thematic areas of regional or national importance.

The undersigned has been directed to inform the faculty members that Jadavpur University has decided to propose for four Centres of Excellence as follows. Faculty members working in any of the following areas are requested to submit their proposals in the prescribed format to respective contact persons within 5:00 p.m. on 5th December, 2012.

Name of the Centre of Excellence	Contact Person
Nano Science Technology	Dr. Kalyan Kumar Chattopadhyay [kalyan_chattopadhyay@yahoo.com] Joint Director, School of Material Science and Nanotechnology.
Condition Monitoring	Prof. Sivaji Chakravorti [sivaji@ee.jdvu.ac.in, s_chakrav@yahoo.com] Professor, Department of Electrical Engineering
Advanced Manufacturing Process	Prof. Bijoy Bhattacharya [bb13@rediffmail.com] Professor, Department of Production Engineering
Sensors and Actuators	Dr. Kumardeb Bandyopadhyay [kumardebb@iee.jusl.ac.in, kumardebb@rediffmail.com] Asso. Professor, Department of Instrumentation and Electronics Engineering

The final compiled proposals in these four areas are to be submitted to TEQIP Cell within 11:00 a.m. on 10th December, 2012. The proposals will be presented by the coordinator of the Centres proposed (or his/her nominee) in front of a committee chaired by the Hon'ble Vice-Chancellor. The committee will select the proposals to be sent to State Project Facilitation Unit/National Project Implementation Unit for further selection. The presentation will be held in Committee Room-II at 12:30 p.m. on 10th December, 2012.

The concept paper for establishing the CoE sent by NPIU along with the application format can be downloaded from <http://teqip.jdvu.ac.in/announcement.html>. The other relevant document for TEQIP-II like Project Implementation Plan can be downloaded from NPIU website (<http://www.npiu.nic.in/dmf.htm>).
