

Technical Education Quality Improvement Programme Phase – III
Jadavpur University

Improve Student Learning (1.3.2.1)

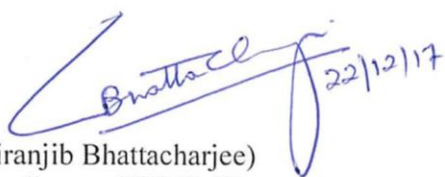

The following activities under the head of Improve Student Learning (1.3.2.1) of TEQIP – III, have been identified and confirmed in the meeting of the Internal Core Committee of TEQIP – III held on November 28, 2017. Active participation of the Department is essential for successful implementation of the plans and the Head of the Departments are requested the following

Activity 1 – Induction Training for 1st Year UG (Day) Students:

A List of Teacher Mentors with their contact numbers and e-mail ids, at a desired Mentor-Fresher ratio of 1:20 and in no case poorer than 1:30, to be finalised and sent to TEQIP cell within one week from notice date.

Activity 2 – GATE Registration Fee (only for a limited number of final year students):

The final year students of the department who have successfully applied for GATE 2018 must be informed **to submit proof of their application** to TEQIP cell by **January 15, 2018**. A limited number of successful GATE qualified students with representation across reservation categories and gender will be reimbursed of their GATE application fee after successfully qualifying in GATE 2018 (after publication of result and submission of the same at TEQIP cell).
